

WE ♥ HARRINGTON

I want to let you know about the “Celebrate Harrington Night” we are hosting on Thursday evening May 23rd. We are dedicating that evening to showing how much our community appreciates the teachers and staff at Harrington Elementary that do their best to provide a quality and safe education for the children of Albion! Additionally this year we are going to honor students that excelled in notable activities by recognizing their achievements. We are inviting local businesses to be part of that day by donating gift cards, merchandise, services, or anything that would be a blessing to them. The goal is to give each of them at least \$50 value in gifts. Your donation of any amount would be greatly appreciated. Several local businesses have already contributed and are enthusiastic about the opportunity. If you would like to participate please let me know. You can call my cell phone at 517-945-6963. All the donations need to be in by May 9th so we can prepare for this wonderful day. I want to thank you in advance for your support of this years “Celebrate Harrington Night.” Every Participant will receive a window decal to display showing your support for teachers in our community.

Many thanks,

Rev. Bruce Johnson
